### Rack Mount Digital Media Players

ITEM CODE	ITEM DESCRIPTION	EXCL. VAT	INCL. VAT
 DENP-DN 300C MKII	DN-300C MK II is a 1U Media Player that supports CD, USB and a 3.5mm stereo input. Tempo control, Front Panel Lock function, Power On Play function, Resume of settings even after power recycle, 10-key direct track access buttons, Balanced XLR and unbalanced RCA line outputs, IR remote included.	R 5,300.00	R 6,095.00
 DENP-DN 300Z	DN-300Z is a 1U Media Player that supports CD, USB, SD/SDHC cards, Bluetooth and a 3.5mm stereo input. AM/FM Tuner with dedicated out for multi-room use. Front Panel Lock function, Power On Play function, 10-key direct track access buttons. Random, repeat, and single play playback modes, Folder only and All play modes, Remembers up to 8 Bluetooth devices for simple switching of wireless audio sources, Balanced XLR and unbalanced RCA line outputs, IR controllable with included, compact remote.	R 9,734.78	R 11,195.00
 DENP-DN 350MP	The DN-350MP is a 1U Media Player that supports USB, Bluetooth and a 3.5mm stereo input. Smartphone shelf to hold device while paired via Bluetooth and charging from the USB charging port on the front panel. Up to (8) Bluetooth devices can be stored in the player's memory. On-board 60W mono amplifier for connection to 4-ohm, 70V and 100V speaker systems with a Euroblock connector. Rear controls for level and ON/OFF. Includes remote Bluetooth antenna. Balanced XLR and unbalanced RCA outputs.	R 7,734.78	R 8,895.00
 DENP-DN 350UI	DN-350UI is a 1U Media Player that supports Internet Radio, USB and Bluetooth inputs. Complete Network operability via wired Ethernet or wireless LAN, Balanced XLR and unbalanced RCA outputs, Digital coax and optical outputs. Play mp3, WAV and WMA files from USB media, can also be paired with Bluetooth devices for added flexibility. Access thousands of Internet radio stations and podcasts, terrestrial FM radio, and even stream your favorite music utilizing Spotify Connect.	R 7,734.78	R 8,895.00
 DENP-DN F350	DN-F350 is a 1U Media Player that supports Bluetooth, SD/SDHC, USB and 3.5mm inputs. Mic/Line XLR front panel combo jack input with gain control and 48VDC phantom power, Pair up to (8) Bluetooth devices for playback, Balanced XLR and unbalanced RCA outputs, Control via front panel or included IR remote, Pitch and tempo control +/- 15%.	R 5,734.78	R 6,595.00
 DENP-DN 500CB	DN-500CB is a 1U Media Player that supports CD, USB, Bluetooth and a 3.5mm stereo input. RS-232c port on the rear for control via serial command, Front Panel Lock, Power On Play, 10-button direct track access, Bluetooth 3.0 pairing to (8) devices, Balanced (XLR) and unbalanced (RCA) outputs, Compact IR remote control included.	R 7,908.70	R 9,095.00
 DENP-DN 501C	DN-501C is a 1U Broadcast-Grade CD & USB Media Player. Supports CDDA/WAV/MP3/AAC/AIFF audio file formats, USB mass storage device playback, Direct digital playback of iPod/iPhone via USB, OLED high contrast display, Slot-in CD drive, 3-phase brush-less motor for spindle, Full professional outputs incl. balanced XLR analog and XLR AES/EBU, Dedicated CUE button, +16% (0.1 % step) pitch control for CD and USB file with/without master key control, Program play, Supports copying CD data to USB storage as WAV file (ripping), RS-232c serial controllable, IR controllable with included IR remote control, 100-230V switching power supply. Compatible with the Denon Pro RC-F400S Hot Start remote, Removable rack ears.	R 12,082.61	R 13,895.00
 DENP-DN 700C	DN-700C is a 1U Broadcast-Grade CD & USB Media Player. WAV, MP3, WMA, AIFF, M4A & AAC formats as well as a slot-loading CD mechanism for playback of MP3 & CD-DA. Streams audio over the network (DLNA), USB device (mass storage class) and iPod playback, Large, bright OLED display, AES/EBU digital format output, Balanced XLR audio output, Supports external control operation via IP Control (Ethernet), RS-232c, GPIO, and IR, Extended control via Ethernet, includes DENON Professional Product Manager software (PC/Mac), 20 Hot Starts, Supports the Denon Professional Pitch Control App (available from the App Store™), Pitch control playback allows adjustment of the playback speed between -16% to +16% in 0.1% steps. End Monitor and User-selectable Finish Mode features. Detachable, IEC-weighted AC inlet.	R 14,343.48	R 16,495.00
