ALES-DEBUT KIT		the Debut Kit comes with absolutely everything you need to start drumming right away. First, there are the drums themselves - (4) 6" adjustable mesh-head drums that feel great without any of the noise that comes with rubber e-drum pads. Each one of the (3) included cymbals boasts a large 10" playing surface so you never miss a beat. The Kick drum and Hi-Hat are controlled by responsive foot pedals that can be rolled up and put away while not in use and the adjustable drum throne and headphones provide comfort for players of all ages. Drumsticks included	R 6,256.52	R 7,195.00
ALES-TURBO MESH KIT		7-piece electronic drum kit centered around next-generation Alesis mesh head drum technology. Mesh heads are the overwhelming preference of drummers when they play electronic kits because of their natural feel and ultra-quiet response. The Alesis Turbo Mesh Kit features an 8" mesh snare drum and (3) 8" mesh toms. It includes everything else you need to make a complete drum kit; (3) 10" cymbals, custom-designed Alesis hi-hat and kick pedals, and a durable steel rack. Includes all the cabling, drum sticks, power supply and a drum key.	R 7,386.96	R 8,495.00
